Siete churro strips

The Garza family adopted a grain-free diet to support their daughter's dietary needs. The seven (or siete) Garzas have had great success creating delicious, culturally relevant Mexican and South Texas foods using cassava flour. These snackable churro strips have a satisfying crunch and light dusting of brown sugar for just the right amount of sweetness.

Clover Sonoma organic moon milks

Functional beverages are all the rage these days, and with good reason! Who'd turn down a few beneficial ingredients like turmeric and lavender in their favorite drink? With Clover Sonoma, you can now get your milk with a functional boost. They're ideal for making functional smoothies to get your day started right.

\$5.99

Somos Mexican sides

Plant-based and non-GMO, these heat-and-eat Mexican side dishes are crafted using authentic recipes from the founders' family kitchens. Look for Mexican black beans, spicy refried beans, cilantro lime white rice, and Mexican brown rice.

Primal Kitchen condiments

The gluten-free and low-sugar foods from this maker have become a staple in many keto and paleo homes. Adding to their already robust lineup is a premade hollandaise as well as ketchup and avocado oil in handy squeeze bottles.

\$7.69-13.99

Plant Boss plant crumbles

This is the plant-based crumble for all occasions! Plant Boss' organic, vegan, and gluten-free meat substitute is as versatile as it is delicious (which is saying something).

\$5.99

Field Roast breakfast sandwiches

There's nothing quite like a breakfast sandwich. Who could resist delicious breakfast food piled on a warm, fluffy English muffin? Field Roast's plant-based version is as good as it gets, with their signature vegan sausage, Just Eggs, and Chao vegan cheese.

WELLNESS

Botanical Lucidity peace potion

Owner Kayla brews a number of functional beverage powders that have become a big hit with the co-op community. Her newest concoction features dopamine-supporting mucuna bean and naturally relaxing passionflower for a warming drink that's perfect for sipping before bed.

\$2.99-29.99  LOCAL

Ceramedx

Winter can be tough on skin but Ceramedx can help. Infused with natural ceramides that heal dryness and lock in moisture, these skin care products mimic your skin's natural protective barrier. Try the extra gentle cleanser, restoring body lotion, and fragrance-free ultra-moisturizing cream, all of which are vegan and free from parabens, GMOs, gluten, and petrolatum.

\$8.99-13.99  LOCAL

Giovanni curl-defining hair care

This frizz-fighting line of products is carefully balanced to bring out the best in your curly hair. Giovanni's "eco chic" values mean a commitment to using organic and vegan ingredients whenever possible and never testing their products on animals. Look for mousse, shampoo, conditioner, leave-in conditioner, and deep conditioning hair mask.
