Dogpatch dressings and salad enhancer

An otherwise amazing salad can be brought low by a subpar dressing. Dogpatch, an urban garden in Des Moines, IA, understands this. That's why they've crafted these delicious, full-bodied salad dressings. To further up your salad game, try their enhancer: It's a blend of tasty dried ingredients like sesame seeds and pepitas that add a delightful crunch to any salad.

GROCERY (CONT.)

Truffle-infused Oils and Salt

When you want to quickly add flavor to your favorite dish, try these new olive oils and salt infused with truffle oil. Truffle's intense umami flavor elevates salad dressings, marinades, and roasted poultry. Next time you're grilling a steak, try seasoning with the truffle salt – you can thank us later!

- Selezione Tartuffi truffle oil and salt, \$15.99 - 21.99
- Truff oil, \$19.99

Boulder Clean cleaning products

These plant-based cleaners do all the work of conventional, chemical cleaners without damaging the environment. In addition, Boulder Clean donates \$1 to the Ocean First Institute for every product sold. Look for cleaning spray concentrates for every room in your house along with reusable spray bottles.
